

Drop Box/Asbestos Rules and Regulations

EFFECTIVE 2/1/18

If you are disposing of any material(s) listed below that will be hauled in a drop box you will be required to obtain lab results or a survey showing the material is asbestos free. Analytical test results are required for the following construction products commonly known to contain asbestos no matter the year of the building:

- **Interior walls and ceilings:** Acoustical tiles, drywall with any of the following applied materials: glue dots, plaster, spray-on, orange peel & “popcorn” texture, textured surfacing material, such as trowel-applied and skim or brown coats that covers the entire surface.
- **Exterior walls:** cement asbestos board siding, stucco and plaster
- **Flooring:** vinyl tiles, sheet vinyl, mastic
- **Insulation/fireproofing:** spray-applied, vermiculite, sink undercoating, thermal system insulation, fire/kiln brick and fireproofing (Exempt insulation: fiberglass (ex. Pink or yellow rolls), cellulose, mineral wool)
- **Heating:** white paper or seam tape on ducts, air-duct cement, air cell and insulation
- **Gaskets:** furnace, mechanical, boiler, wood stove
- **Roofing materials:** silver or white roofing paint/sealer, Nicolite paper, built-up roofing.
- **Various compounds:** window glazing, adhesives, caulks, patching, mastics, vapor barrier products (Exempt: plastic or synthetic materials such as Tyvek)
- **Electrical:** switch gear, circuit boxes and fuse panels; wiring with cloth insulation (Exempt: Romex wiring)

The following is a list of companies that do analysis to determine if asbestos is present in materials. Other firms (not named on this list) may provide similar services:

Certified Environmental
615 SE Chkalov Dr, Suite 12
Vancouver, WA
360-254-9385

Advantage Environmental
9317 NE Hwy 99, Suite A
Vancouver, WA
360-356-7628

Atlas Labs
10818 NE Coxley Dr. Suite I
Vancouver, WA 98662
360-852-8936

After you have received your lab results or survey of the building please email clarkcountydropsbox@wcnx.org along with the site address where the drop box is or will be located. For more information, contact Southwest Clean Air Agency (SWCAA) 360-574-3058 and/or visit the website at www.swcleanair.org/asbestos to learn what action steps are required.

I acknowledge that I have read and understand the rules and regulations regarding asbestos and if I have any materials listed above I will obtain and supply the necessary testing.
