

Hauling and Recycling for C&D Projects

Prompt, Professional Customer Service

Waste Connections has been serving the construction and demolition needs of Clark County since 1999. Our friendly, knowledgeable staff are capable of handling even the most complex jobs.

Convenient

For next day drop box deliver, orders can be placed up until 4:00 PM.

Easy & Cost Effective

We provide LEED and Green Building Certification assistance and documentation at no additional cost!

A field consultant provides on-site education and material recovery placement.
