### Compost Pail

**Includes:** 1.8 gallon metal pail and/or 5 gallon bucket, lid, stand, and instructional signage.

**Used for:** Food scraps only (fruit/vegetable trimmings, bread and grains, meat and dairy)! **No plastic bags, compostable plastic utensils, or paper plates.**

**Disposal:** Bring the pail and food scraps back with your ClearStreams to Waste Connection's office for composting (free of charge).

### Glass Bin

**Includes:** One glass recycling bin with labels

**Used for:** Empty glass bottles and jars

**Instructions:** Set the glass recycling bin next to a ClearStream pair. Order glass roll cart service or take glass to the transfer station for free disposal.

### ClearStream Bags

ClearStream Bags hold 45 gallons of waste.

Up to 30 bags (15 black garbage bags and 15 clear recycling bags) will be provided at no cost. Bags may also be used in any public litter barrels in your event area.

**Reduce need for bags:** The less single-use, disposable items you provide, the less waste you will need to manage. Remind guests to bring their own water bottles or reusable cups so less waste is made. Consider providing durable dishware.

**Reuse bags:** Get more use out of each bag by emptying the contents directly in to a dumpster and then reusing the bag in the ClearStream.

**Purchase more bags:** If needed, you may purchase additional bags from [www.ClearStreamRecycling.com](http://www.ClearStreamRecycling.com) or from a janitorial supply store. Bag size: 40"x46", 1.3 mil black and 43"x48", 2.0 mil clear.

### ClearStream Signs

**Includes:** Wire sign holder, corrugated plastic sign

**Used for:** Adding additional signage to your ClearStreams. Signs depict photos of common garbage and recycling items and list waste reduction tips.

**Instructions:** Slide bottom ends of the sign holder in to slots on the back of the ClearStream frame.

---

### Cleaning Kit

**Includes:** Multi-purpose bucket, cleaning supplies (non-toxic cleaner and hand towels).

**Used for:** Setting up and maintaining your ClearStreams and waste stations.

**Instructions:** Clean ClearStream lids after your event. Please return the kit and any unused garbage or recycling bags after your event.

---

### Waste Station Tent

**Includes:** One 10x10 tent, four weights

**Used for:** Designating a clear location for your waste station and comfortable area for your volunteers to work. Tents will fit a ClearStream pair and compost pail underneath as well as providing sitting room for your volunteers.
