LARGE PROJECT?

For large projects 20, 30 and 40 yard drop box services are available. Please call 360-892-4522 for rates and details.

You may sign up for or cancel yard debris service at any time. If you choose to cancel and restart collection service within a year of cancellation, a restart/redelivery fee may be assessed. Consider going "on-call" instead of canceling your service during the winter. You will pay a small rental fee and a pick up fee whenever you use the service. You must notify customer service at least 24 business hours in advance to guarantee an "on-call" pick up.
